

Timeplan future mobility

Our next steps

First step

- Do the first 3 sites of our website
- Second Mr. Dejan Radmanovic
- Plan the first testdrive as a comparision

Second step

- Make the next sites on our websites
- Start our concept of the survey

Third step

- Go public with our survey
- Make a model «e-engine» and explain how it works in a video

Forth step

- Work on the video of our «e-engine»
- Maybe plan a second test-drive
